

# Miami University Instrumentation Lab (I\L)

## I\L Equipment List Application Form

---

A Primary Investigator (PI) should use this form if they seek to have instruments included on the I\L's Equipment List. The criteria for instruments to be included on the I\L's Equipment List is described on the I\L's website:

<http://www.instrumentationlab.miamioh.edu/equipmentlist.html>

The PI must agree to all of the criteria listed before any consideration would be given to this application. Please be sure to fill out all pages of this application.

**The Director of the I\L makes the final approval on applications.**
